Two of the errors were found in the application or an amendment as filed by Applicant. Our check in the amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a) is enclosed.

With regard to Sheet 2, Fig. 2 in the drawings, it appears that the Office published the annotated sheet instead of the replacement sheet submitted with the Amendment dated August 9, 2007.

The errors now sought to be corrected are inadvertent typographical errors the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 31146/MP1483.

Dated: December 1, 2008

Respectfully submitted,
